2026 – 2027 Standard Tuition Rates and Fees for CCA and CCHS Students

Standard Tuition Rates

Junior/Senior Kindergarten (Monday, Wednesday and Friday)	$6, 950
Extended Kindergarten (Monday - Friday)	$9, 925
Grades 1 – 12	$9, 925
Family Rate	$15, 200

*If the Academy is required to transition to online learning, fees and tuition do not change. The Academy's online platform will continue to focus on core academics, community, physical activity, and mental and spiritual health for all staff and students.

*Students in grades 4-8 must have their own Chromebook (or equivalent) for home use. School Chromebooks will not be available for home use.

*Students in grades 9-12 must have their own device, including headphones, for use at school and home.

Additional Fees

- $300 per student to cover the cost of schoolwide field trips and school materials is applicable in addition to the standard tuition rates.
- Families are required to purchase 2 tickets for $100 each, to our Gratitude Gala.

Ambassador Program: As an incentive, we have created an ambassador program. To help encourage "word of mouth" promotion, families directly involved in recruiting a new family to CCA will receive a $500 discount on their tuition. If multiple families are instrumental in recruiting a family, the $500 will be divided among those families.

Music Lessons

Piano lessons are available for students in SK to grade 8 for our interested students. Guitar lessons are available for students in grades 1-12 for our interested students. Space is limited for all lessons. Students can sign up and receive weekly one-on-one lessons throughout the year. There are 36 lessons over the year at a total cost of $1100. Register early, as this program fills up quickly. Priority will be given to returning students.

Resource Support

For students who require additional support, CCA offers a comprehensive Resource Program. Through this program, students receive targeted support based on their individual learning needs. Support is organized into five tiers (Tier 1– Tier 5), with each level reflecting the intensity and type of support provided. This may include monitored educational plan, small-group instruction, one-on-one assistance, in-class support, or specialized interventions led by a Resource teacher or Educational Assistant.

Because the level of support varies from student to student, Resource Program fees also vary according to the level of support required. Families whose children require resource support will receive a separate Resource Program information package outlining: the level of support recommended, program details and expectations, and associated fees. Our goal is to partner with families to provide the right level of support so that each student can grow academically, socially, and spiritually.

Tuition Discounts/Bursary Program

The following tuition discounts are available to CCA families based on their household income or family situations. Eligible families may use at most one of the special tuition discounts. These discounts only apply to the standard tuition rates and do not apply to the field trip and materials fees or any other extra fees.

Staff Discount

- 50% tuition discount is available to any full-time staff member of the school.

Bursary Program

- tuition assistance is available to eligible families and is allocated according to need and availability.
- Pastoral families - We strongly desire to serve our families in ministry. We will make every attempt to work with pastoral families to offer them a discount that works with their annual salary. Bursary precedent will be given to pastoral families.
- applications are available by contacting the school office (office@calvaryca.com) and are due by March 13, 2026
- CCA must be notified of any financial status changes within the school year (i.e. new job, increased pay, tax refund, inheritance, etc.)
- Families are required to reapply for a bursary each year.

Tuition Payments

- The deadline to register for the upcoming year is Friday March 27, 2026.
- After March 27, families are still welcome to enrol in the upcoming academic year providing there is space in the class. An additional late enrolment fee of $100 will be charged after March 27, 2026.
- Tuition can be paid in equal payments over 12 months, from July to June,
- One-time payment fees are due before or on the first day of school.
- Pre-authorized debit is withdrawn on the 15th of each month.

NSF Fees

- a $50 fee will be charged for the first NSF; subsequent NSFs will result in a $100 fee.

Refunds and Early Withdrawal

When we accept your child to CCA, we commit all resources and salaries for the entire year to ensure our students get an excellent education. We expect that all parents enrolling a child in the school will seriously consider the financial commitment they are making.

When a family voluntarily withdraws their children from the school before or during the school year for any reason, the Principal must be given 90 days' notice in writing of the intention to withdraw from the Academy. Once a family has registered, they must provide a minimum of 90 days notice of intention to withdraw from the school or one of our programs (Music and Resource). In lieu of such notice, payment of the registration fees and a tuition amount equal to the 90-day notice period will be required. Volunteer and cleaning fees may apply.

Capital Campaign Contribution – Legacy Commitment

All new families enrolling at Calvary Christian Academy are required to pay a one-time Capital Fee of $1,000.

In addition to the one-time capital fee, as part of our 5-year strategic plan, *Generations and Communities,* all families are required to support the Capital Campaign through a legacy commitment of $25 per month. We kindly encourage families to prayerfully consider contributing above this minimum amount. Any contributions exceeding the $25 monthly requirement are fully receiptable for tax purposes.

Volunteerism

To keep tuition affordable (one of CCA's core values), the school relies on parent volunteerism. In addition to the financial benefit, volunteerism helps parents be involved in CCA's life.

Each family is expected to contribute their gifts, experience, and time through the different volunteering opportunities for the duration of the year.

General Volunteerism

- Each family must contribute 25 hours of volunteerism throughout the year. Families will track their volunteering using CCA's Volunteer Hours of Service Form, available on our website.
- Families may "opt-out" of this obligation with a payment of $625, or $25/hour.

Cleaning

- To share the workload of maintaining our school facilities without incurring significant expenses, CCA families are expected to assist with cleaning duties 6 times per year. They also have the option to "opt-out" of this obligation with a one-time payment of $300. Each cleaning shift is approximately 2 hours.

Additional Costs or Fees

- Additional costs or fees are required at times. Some are optional and others are expectations. Some examples include:
    - Uniforms
    - Overnight Trips
    - Athletic Trips
    - Specific learning supplies (example Science Fair)
    - After Care (optional)
    - Food program (optional)
    - Busing (optional)

Admission Procedure – New Families

- Acceptance is based on space availability. If no space is available at the time of application, families will be placed in the waiting pool until a spot becomes available.
- Complete and submit an application form online. An application fee of $250 is applied to tuition upon enrollment.
- Submit a Pastor's letter of reference and signed Statement of Faith
- Meet with administration and a possible follow-up interview.
- Submit the most recent report card for each student as well as any professional assessments.
- Children may be asked to visit as a student for the day. This can include the teacher completing an academic assessment.
- CCHS students in grades 9-12 are required to submit a letter of expressed interest to the principal.
