A GLANCE AHEAD!

May 2019

When Jesus was crucified on the cross alone, in between two criminals, it looked like it was game over and all hope was lost. All those who knew Jesus and had followed Him watched at a distance. The religious leaders of the day had their way as they yelled in unison "crucify him, crucify him!" (Luke 23:21). Rome had once again won as Pilate sentenced that their demand be met. Judas betrayed Jesus, Peter denied Jesus, there are broken hearted and scared disciples and people who love Jesus. But thankfully the story doesn't end there...

As you read the last chapters of the Gospels and into the book of Acts, you see the stone was rolled away as Jesus was raised from the dead, a victor over death. Jesus had declared while alive that he had the power to lay down his life and take it up again (John 10:18) and that He was the Resurrection and the Life (John 11:25).

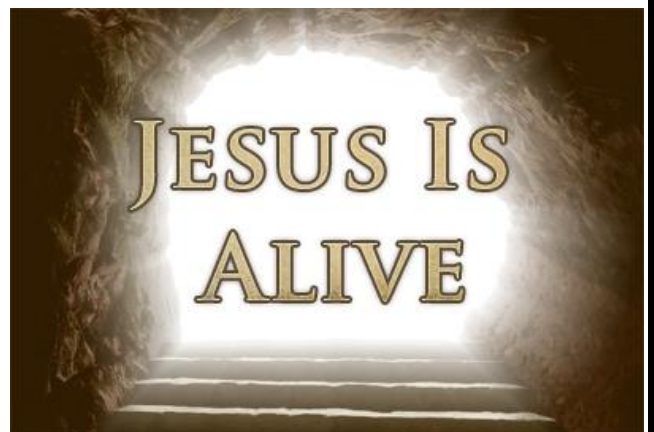

After Jesus was raised from the dead, for 40 days he showed himself alive by many infallible proofs (Acts 1:3). The Gospels record that He met them at the tomb, on the mountain, on the road to Emmaus, and ate breakfast on the beach with His disciples. The Apostle Paul says he appeared to more than 500 brethren at the same time (1 Cor 15:6).

As a result of seeing Jesus alive, these once-scared and heartbroken followers of Jesus courageously made their way to the streets of Jerusalem, risking their lives, and boldly proclaimed the good news of the Gospel, the good news that Jesus is alive! Peter stood up in the midst of the people and declared "Men of Israel, listen to these words...God has raised Him up again" (Acts 2:14-36). And again the second time Peter declared " But you disowned the Holy and Righteous One and asked for a murderer to be granted to you, but put to death the Prince of life, the one whom God raised from the dead, a fact to which we are witnesses" (Acts 3:14-15)

The unrelenting faith of the disciples is further evidence that Jesus is alive!

Intramurals

Students have been enjoying intramural hockey during lunch. Thanks Mrs. Reid and Mme. MacFarlane for organizing and leading.

Running Club

The students are training hard for the Franktown Run. They have been given an incentive and a training schedule to help them meet a certain goal (Gold, Silver or Bronze). So far, the school has run a total of 997 km or the distance from Saint John's, Newfoundland to Prince William, New Brunswick. Awesome job and keep active!

Tick Season

Tick season is upon us and we are reminding moms and dads to check their children for ticks each evening after school. CCA does have a large outdoor playground that could be home to them.

Where's Franktown? Update

Our 15th annual "Where's Franktown?" Run is just around the corner on **Saturday May 11th** on Mothers' Day weekend and just two weeks before the National Capital Race Weekend. Below are areas in which we can still use your help in order to make this year's race event as successful as past ones.

Runners

We are trying to grow this race each year and as such need and hope for more runners for this year's race. We are really encouraging each of you to ask around and reach out to your contacts on e-mail, Facebook and Twitter. You would be surprised how many of your contacts may be open to trying their first 5k, 10k or 15k run or those who are already runners and you may not know!

For seasoned runners, the "Where's Franktown?" run is an excellent way to build up to the big National Capital Race weekend. For new runners, the "Where's Franktown?" race event is a great starting point for a run - flat, safe, kid friendly and fun! Please invite your friends.

Sponsors - A big thank you to our sponsors! Please support our generous community. →→→→→→→→→

Food

Following the example of previous years, parents are expected to help out with donations of food. Including runners, fans and volunteers we anticipate that we may have as many 800 hungry people! As such, we will soon be sending a separate email asking for parents and families to help out by bringing in salads, various trays and other supplies. The more we can get donated, the less we have to buy and that means more proceeds to our school! Watch for the email soon!

Pledges

Our pledging goal this year is to raise \$8,000, approximately \$100 per family. We are asking each family to put an effort into supporting the run and our school by making an attempt to secure pledges. Asking neighbours, friends, family and fellow Church congregants is a great place to start. As an incentive, students who raise the goal of \$100, will get to choose which staff member they will kindly put a "pie in their face". Think of the possibilities....

Volunteerism

Please be reminded that Volunteer Hours of Service Forms are due in the office by June 1st. This form is available on our website calvaryca.com under "Our School" - "School Forms". Below are some volunteering opportunities during the last two months of the school year.
